STEP 2: HAVE YOU SATISFIED THE WAITING PERIOD?

*Check R.C. 2950.01 for extended definition.

SEALING WAITING PERIODS:

Pandering obscenity

If applying to seal a minor misdemeanor

2907.32

→ Wait six months after discharge.

If applying to seal a misdemeanor

Wait one year after the misdemeanor* is discharged.

If applying to seal a fourth or fifth degree felony

Wait one year after the fourth or fifth degree felony* is discharged.

If applying to seal one or two

Wait three years after the third degree felony* is discharged.

third degree felonies

If applicant subject to Chapter 2950 (sex offender registry) Wait five years after requirements have ended.

*So long as none of the offenses is a violation of R.C. 2921. 43. If the record includes a violation of R.C. 2921.43, applicant must wait seven years.

EXPUNGEMENT WAITING PERIODS:

If applying to expunge a minor misdemeanor

Wait six months after discharge.

If applying to expunge a misdemeanor

Wait one year after the

misdemeanor is discharged.

If applying to expunge a fourth or fifth degree felony

Wait eleven years after fourth or fifth degree felony is discharged.

If applying to seal one or two

Wait thirteen years after the third degree felony is discharged.

third degree felonies

A case is "discharged" when a person has fully completed any jail or prison sentence, any terms of probation or parole, and all payments of fines or fees that were a penalty for the conviction. Court costs are not part of a sentence, and unpaid court costs should not block an application.

STEP 3:

WHEN CAN A PERSON APPLY?

Are there pending criminal charges? The court will <u>not</u> seal or expunge any record if the applicant is facing <u>pending</u> charges. Applicants should wait until any pending cases have resolved. Depending on where in Ohio their records are, that could include completing requirements like probation.

Is the applicant unlikely to re-offend? Applicants must be able to show that they have been "rehabilitated to the satisfaction of the court." Applicants must also show that their interest in sealing a record is greater than any legitimate government needs to maintain those records.

STEP 4:

HOW DOES A PERSON APPLY?

For each offense, complete an application in each court where there is a case to be sealed or expunged.

Every court has its own application forms and processes, so contact the Clerk of Courts to find out what documents to file and how to file them. The Clerk of Courts can usually disclose a person's case number, name and degree of the offense, date of conviction, and date of case discharge.

The filing fee will be \$50. A person can ask the court to waive this fee by completing a poverty affidavit (sometimes called an "affidavit of indigence"). If a hearing is scheduled, the applicant must attend.

STEP 5:

WHY SHOULD A PERSON APPLY?

Sealed records will not show up on most background checks. Landlords, schools, and the general public cannot see the sealed record. Note, however, that certain "collateral consequences" allow some employers and professional licensing boards to see sealed conviction records (e.g. nursing, childcare, and security-related employment).

NOTE:

DIFFERENCE BETWEEN SEALING & EXPUNGEMENT

"Sealing" and "expungement" are words that certain jurisdictions sometimes use interchangeably, but they are not the same thing. A granted expungement deletes and destroys a record and treats it as if it never occurred—sealing does not do this. Ohio Senate Bill 288 created a new expungement process, but no definition was included for how cases will be treated once expunged. It is unclear what effect an expungement will have if granted under R.C. 2953.32.
